CAMPING AND LODGING

The League has arranged for overnight camping to be available on site at Stoney Run County Park for Friday and Saturday nights.

THANK YOU Lake County Parks and Recreation!

Please provide a **donation of \$5/tent or \$10/RV** [at the League Registration Tent](#)

Campsites are primitive (no electricity or hook-ups) and first come first served.

PARKING

Stoney Run County Park charges \$5 admission/parking. The League has arranged for in-out privileges for the whole weekend (Friday-Sunday) for a single \$5 charge. When you first enter, you will pay \$5/vehicle and receive a parking pass valid for the weekend. Please park in the designated event parking (grassy infield) and leave paved spaces for other park patrons.

FOOD SERVICE

Saturday 12pm-5pm and Sunday 8AM - 1 PM

Scout Troop 697 from Lowell, IN—their brisket tacos are awesome!

REMEMBER!

If your leg is over your bike, you should be wearing a **HELMET!**

ANYONE riding a bike on the course must have a race plate affixed to the handlebars.

Walk your bike in the PitZone.

Cheer for EVERYONE!

Help keep our venue clean. Thanks for picking up!

AWARDS!

Awards Ceremony will be onsite as soon as Cleanup is complete (typically between 2:30-3:00pm). Plan to stay and celebrate with your team and fellow athletes!

JV-3 Boys	12:30 PM	12:51 PM	2	1:26 PM

Stoney Run August 29-30, 2026

COURSE INFORMATION

A Great Place to Start Our Season!

Stoney Run Trails are a fun, fast, and flowy mix of singletrack and double track, without sustained climbing. It's a non-technical fun course for all riders, beginning and experienced racers alike. Raced here before? It'll feel fresh this year, because we'll be riding **clockwise** instead of counterclockwise, with some slight variation in the route.

Racers should expect a mass-start format, with ample infield prior to entering the singletrack in the woods. Passing opportunities abound, with periodic sections of double track. Despite the name of the park, it is not a rocky trail system, though you will find the usual Indiana roots!

Be aware that the precise course route is subject to change due to course conditions at the time of the race. The map files are an approximation of the expected course. FOLLOW ON-COURSE MARKINGS!

COACH INFORMATION

How to prepare your team for this event:

This event should provide a great starting point for new student athletes while offering an improvement challenge for returning riders. The course is on the longer side for the IIICL but this is balanced by the lack of climbing. If there is particularly hot weather, neutral water stations will be available on the course for resupply, but encourage your riders to prepare for heat and bring adequate hydration!

OTB 101 Skills to Practice:

Bike-Body Separation Side-to-Side and Cornering - Taking turns at race speed requires these skills.

Crouched Climbing: The climbs on this course are punchy and quick, but can be steep enough to make traction control an important skill, especially on the climb up from the creek this year.

Coach Meetings:

Mandatory Coach Meetings will be held on Saturday at 1pm and Sunday at 8:30am.

Pre-ride EAP:

[Emergency Action Plan](#)

EMS will be onsite on Sunday at Stoney Run for the race itself. Pre-Ride is "like a practice"—athletes must ride with coaches. Respond to emergencies as you would at practice, based on the EAP.
